YEARS

60 years ago in 1962, the predecessor of Cubigel Compressors officially launched the hermetic compressor business in Barcelona Spain. After 60 years of dedication and persistence from generations to generations in refrigeration industry, Cubigel Compressors team is now embarking on a journey to the new refrigeration business era.

Taking advantage to this memorable moment, we sincerely appreciate the long term supports from our outstanding customers all over the world, without you, Cubigel Compressors is impossible to be a world-class brand in light commercial refrigeration industry.

Thank you for being part of the cooling journey!

HUAYI COMPRESSOR BARCELONA, S.L.
